## WHITE WINE 2018

**DO:** Penedès

**Varieties:** 85% Xarel·lo, 15% Malvasia de Sitges

**Alcohol content:** 12% vol.

**Harvest:** Manual

**Vinification:** Fermentation of the different musts separately, from grapes in perfect health condition and maturation point. Constant temperature control at 13-16°C, in order to be able to respect the varietal properties in perfect condition .

**Aging:** Matured over their lees for 2 months in stainless steel tanks with periodic stirring. After the ageing takes place, we carry out the final coupage.

**Bottling:** January 2018.

**Production:** Limited production of 5734 bottles.

**Tasting notes:** Straw yellow white wine with crystalline reflections, clean and bright, agile in the glass. High aromatic intensity, marked by the balance of the white flower, herbaceous memories and the white fruit of Xarel·lo, the most tropical touches and the Malvasia stone fruit. Sweet palate entry, marked by softness and friendliness. Complex aftertaste where the flower, sequencing and freshness reign, due to the presence of Xarel·lo; a domain clearly threatened by the creamy and tropical notes of Malvasia are also present. A curious and fun balance on the palate. Long, dry, persistent and vibrant ending.

**Service temperature:** we advise you to taste it cold, around 10°C; at this temperature, it will allow us to appreciate all the aromatic characteristics of its varieties.

**Pairing:** Vividors del vi Blanc 2018 is a very versatile wine. Very suitable for all kinds of cold and hot starters, light main courses ... but we would like to emphasize its great suitability for drinks with friends. Ideal to enjoy while having long conversations, laughing, while in with good company.

**Final impression of the wine makers:** Fresh, sweet, direct, casual ... many are the adjectives we would like to give to this wine. A very sincere wine, which reflects the Mediterranean character of its varieties perfectly , as well as its producers. Ideal for toasting life! Our best result ; your satisfaction.
